

TWIN CITY RAPID TRANSIT CO.
MINNEAPOLIS 3, MINNESOTA

B. M. LARRICK
VICE PRESIDENT
AND
GENERAL MANAGER

May 13, 1953

Mr. Dwight B. Minnich
Asst. General Manager
c/o Alden Prod. Co.
117 N. Main St.
Brockton 64, Mass.

Dear Mr. Minnich:

Your letter of May 8, 1953 addressed to our President Fred A. Ossanna, was referred to the writer for attention. Mr. Ossanna will give you one of our streetcars. Now, we will be scrapping selling and junking these streetcars every day so any day you get up here, if you do not wait too long within the next sixty days, we will load one of the streetcars on your trailer but if we have to load the streetcar on a flatcar, this costs us money. We have to have cribbing, bolts and labor. We will load it for you at our cost, which will be \$125.00.

Here is what you have to remember. You have to have a permit to haul this streetcar over the highways in every state you go thru. If you haul this car from Minneapolis to its destination, I do not want to hang any crape for you, but you are going to have nothing but trouble, so you can govern yourself accordingly.

Yours truly,

B. M. LARRICK
Vice President and
General Manager
